IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions the Delegation of powers to grant permission to acquire or dispose of immovable or movable property by Non-gazetted Government servants.

ORDER No. GAD (S-1) 41 SSR 58, DATED BANGALORE, THE 25TH NOVEMBER 1959
(MARGASIRA 4, SAKA ERA 1881).

Under Rule 17 of the Mysore Government Servants' Conduct Rules, 1957, as amended, no Government servant can acquire or dispose of any immovable property either in his own name or in the name of any member of his family, without the previous sanction of Government or any authority specially empowered by it in this behalf. Similarly, prior sanction of Government or any authority specially empowered by it in this behalf has to be taken in any case in which a Government servant desires to enter into a transaction concerning any movable property exceeding Rs. 1,000 in value, if the transaction is entered through any person other than a

reputed dealer or an agent of standing. It is felt that considerable delay and inconvenience will be caused if every application for such sanction is to be decided by Government.

2. Government is, therefore, pleased to make the following delegation of powers in this behalf:—

Power delegated to	Extent of delegation
1	2
I Class I officers or gazetted officers having jurisdiction over the district under whose administrative control the officials are working.	Applications from Class IV officials for acquisition of and disposal of (1) immovable property or (2) movable property exceeding Rs. 1,000 in value.

ORDER No. GAD 74 OOM 59, DATED BANGALORE, THE 25TH NOVEMBER 1959
(MARGASIRA 4, SAKA ERA 1881).

It has come to the notice of Government that a large number of petitions presented to several officers both in person and by post are neither registered in their offices nor acknowledged and are consequently left unattended. Omission to acknowledge petitions is said to be due to the fact that postage to cover replies are not sent with petitions. Although the plea put forward is apparently correct, the purpose of presenting petitions is nullified as the petitions are liable to be mislaid and no action taken thereon. The following procedure is therefore laid down in supersession of the previous orders on the subject:—

All letters/petitions which are duly stamped in accordance with the Law, and also all other petitions where there is no legal requirement to affix stamps, except those which are covered by the next paragraph, should be acknowledged within 24 hours of the receipt of a letter/petition regardless of the fact whether postage stamps are forwarded or not with petitions. The acknowledgment should be in printed forms, supplied for the purpose and indicate the reference number in the office to facilitate future correspondence in the matter. Petitions/Letters presented in person should be acknowledged on the spot. The Section Officer in the Secretariat/the Gazetted Assistant to the Heads of Departments and the Head of the Office in other cases who receives such communications, will be responsible for issuing the acknowledgment.
